

Amherst Veterinary Hospital is looking for a full-time Certified Veterinary Technician to join our team of experienced vets and technicians. Our exclusive small animal practice allows our team members to work closely with our veterinarians to provide the best in care for our canine and feline patients. We are committed to our staff staying up to date on new technologies and advancements in education and are able to mentor the ideal candidate!

Our hours consist of a 40 hour work week with a rotating Saturday morning schedule and a full weekday off every other week. This provides ample time to enjoy all the Central Wisconsin area has to offer!

Veterinary technicians will:

Perform standard in house tests, phlebotomy, restraint, dental scaling, and radiography.

Monitor and administer anesthesia and treatments under the supervision of a veterinarian.

Direct client communication and maintain associated records of communication and procedures performed.

Educate clients and advocate for pets.

If desired, work towards ultrasound certifications in our partnership program.

Minimum requirements

Good academic standing OR graduate with veterinary technician credential

Licensed to work in the state of Wisconsin

Benefits include:

Health Insurance

IRA retirement contribution

Discount on veterinary services for your pets

Paid vacation time

Paid sick time
