

Growing Practice | Relocating to a Brand-New Facility!

Stoughton Veterinary Service is seeking a **Veterinary Assistants and/or Veterinary Technicians** to join our dedicated team as we prepare for an exciting new chapter — **relocating to a brand-new building with updated equipment and improved space designed to support high-quality medicine and teamwork.**

This is a great opportunity for someone who enjoys a collaborative, community-focused practice and wants to grow alongside a hospital investing in its future.

Why You'll Love Working Here

- **New Building Coming Soon:** We are relocating to a **brand-new facility**, offering improved workflows, upgraded equipment, and a more comfortable environment for both patients and staff.
- **Supportive Team Culture:** We value communication, collaboration, and supporting one another.
- **Commitment to Quality Care:** Our team is focused on delivering excellent medicine while continuing to grow and evolve.

About the Role

We are open to **experienced Veterinary Assistants and Veterinary Technicians**. The ideal candidate is compassionate, dependable, and motivated to contribute to a positive hospital culture.

Responsibilities may include:

- Patient handling, restraint, and nursing care
- Assisting doctors with exams, diagnostics, and treatments
- Surgical and anesthesia assistance (experience preferred; special interest welcomed)
- Anesthesia monitoring and recovery care
- Client communication and education
- Maintaining a clean, organized, and efficient hospital environment

What We're Looking For

- **Experience** as a Veterinary Assistant and/or Veterinary Technician
- Strong technical skills **and/or** client service experience
- Team-oriented mindset with a willingness to learn
- Interest in surgery, anesthesia monitoring, ultrasound, or internal medicine is a plus

What We Offer

- Competitive compensation based on experience
- **Potential sign-on bonus**
- Opportunities for continued learning and professional development
- A supportive, team-centered environment
- The opportunity to grow with a practice moving into a **new, modern facility**

If you're looking for a role where your skills are valued and your growth is supported — **we'd love to meet you.**

Apply today to join Stoughton Veterinary Service as we move into our new home! Please email resumes to:
