

Full Time CVT

Are you a Certified Veterinary Technician who loves the close-knit feel of a privately owned clinic? Do you love building connections – with both pets and their people – and enjoy working in an environment where teamwork, laughter, and learning are part of every day? If so, we'd love to meet you!

Who We Are

We're a small-animal, privately owned veterinary practice that believes exceptional care comes from compassion, communication, and genuine relationships. We value kindness, teamwork, and the powerful human-animal bond that brings clients through our doors. Our clinic focuses on supportive care tailored to the needs of each individual pet and exceptional service for every client.

What You'll Do

As a CVT in our practice, you will have the opportunity to use the full range of your skills, including:

Surgical, Dentistry, & Anesthesia Responsibilities

- Performing anesthesia induction, monitoring, and recovery
- Preparing patients and assisting veterinarians during surgeries
- Performing dental radiographs, completing dental cleanings and charting

Diagnostics & Clinical Care

- Utilizing digital radiographs
- Collecting samples for in-house and reference lab tests, using Idexx Diagnostics
- Assisting with acupuncture and therapy laser treatments
- Use a web based practice management system (Covetrus Pulse)

Client Communication & Support

- Educating clients on treatments, medications, and home care
- Provide comfort and care for pets during exams, treatments, and hospital stays using low-stress handling and fear free techniques
- Communicate through technology with two way client communication via text and email

Team & Clinic Support

- Working collaboratively with veterinarians and support staff
- Contributing to a fun, positive, and respectful team culture

Our Community

You'll be part of a team that loves to give back to our community: school tours, high school student mentorships, our annual Pet Pictures with Santa event to fundraise for our local Humane Society are a few examples. We welcome team input and passion for new community initiatives.

Viroqua, WI is nestled in the heart of the Driftless Region and offers a diverse community sure to have something for everyone. Whether it is music, art, delicious food, or outdoor adventures, you can find it here!

Requirements

- Active Certified Veterinary Technician (CVT) credential in state
- Completion of an AVMA-accredited veterinary technician program

- A passion for patient comfort, and valued client communication
- A team-oriented mindset

What We Offer

- We are looking to invest in you! Offer opportunities for CE, training, and growth in areas that interest you – find your passion and run with it!
- Team Building – we respect our work-life balance, and encourage chances to relax and enjoy time together outside of our daily routine. Past examples include canoe trips, boating on the lake, Brewer and Badger Games, spa days, trivia and game nights!
