

## Seeking a Certified Veterinary Technician- PRIVATELY OWNED PRACTICE

**Looking to expand your skill set and make a difference?!** Animal Hospital of Oshkosh is seeking a CVT to join our team of professionals.

**Animal Hospital of Oshkosh** is a 5-doctor, PRIVATELY owned, AAHA-accredited, small animal practice. We are progressive, paving the way to better medicine and work-life balance through innovation and flexibility. We are a patient-focused veterinary practice that believes pets deserve individualized, thorough care—not rushed appointments or “treat-and-street” medicine. In our hospital, animals are treated as *patients*, not *numbers*, and we prioritize building meaningful relationships with both our patients and their people.

Our team is deeply committed to practicing high-quality medicine through thoughtful diagnostics, clear client communication, and the time needed to do things right. We foster a supportive, collaborative environment where CVT and assistants have a voice.

### What Makes Us Different
