

## Join Our Award-Winning Veterinary Team!

### Certified Veterinary Technician (CVT) Opportunity

Our award-winning, AAHA-accredited veterinary clinic is looking for a dedicated individual to join our dynamic team. We pride ourselves on utilizing our CVTs to their fullest potential, recognizing their vital role in patient care and clinic operations.

#### Position Details:

- **Competitive Salary:** \$25/hour starting (after certification)
- **Comprehensive Benefits Package:**
  - **Paid Time Off:** 8 days PTO (accrual increases by one day annually), 3 paid holidays
  - **Health & Dental Insurance:** 75% of premiums covered by employer
  - **Short-Term & Long-Term Disability Insurance:** 100% covered by employer
  - **Life Insurance:** 100% covered by employer
  - **Aflac Options:** Available
  - **Retirement Plan:** 401(k) with 3% employer contribution
  - **Professional Development:** Recertification fees and professional memberships covered. Up to 5 paid CE days, with CE costs covered upon management approval.
  - **Uniforms:** 5 sets of scrubs provided annually
  - **Pet Care Benefits:** Routine wellness care and pet insurance premiums covered for two pets. Discounted care for additional pets.

#### Why Choose Our Clinic?

We offer a unique opportunity to practice cutting-edge veterinary medicine in a collaborative and supportive setting. Here's what sets us apart:

- **Maximize Your Skills:** As a valued CVT, you'll be empowered to perform advanced procedures, utilize your technical expertise, and make a real difference in the lives of our patients.
- **Growth & Advancement:** We encourage professional development and offer opportunities for career advancement, including leadership roles and specialized training.
- **Mentorship & Collaboration:** Work alongside experienced professionals who are dedicated to your success. Our collaborative environment fosters teamwork and mutual support.
- **Diverse Case Load:** Expand your knowledge and expertise by working with a wide range of medical cases.
- **State-of-the-Art Technology:** Utilize modern equipment and facilities, including a Physical Therapy Program, CT, Ultrasound, and advanced orthopedic resources.
