

# Certified Veterinary Technician – Overnight Shifts

Location: Monona, WI 53713

Salary Range: \$24.00 – \$27.00 Hourly + Differentials

Position Type: Full Time

Education Level: 2 Year Degree

---

Madison Veterinary Specialists is a growing 24/7 comprehensive, state-of-the-art emergency and AAHA Accredited Specialty Referral hospital partnering with family veterinarians to provide compassionate care for companion animals when they need us most. \$2,500 signing bonus available! If expecting the unexpected is your strength, this is the service for you! This highly dynamic team works with internship-trained emergency veterinarians to provide critical care when patients need us most. You will fully utilize and grow your skills by learning RECOVER CPR and advanced procedures while being supported by veterinary assistants and kennel assistants.

## Ideal Candidate Skills:

- Collaborative team mindset and strong communication skills
- Enjoy learning new skills and exploring new technologies
- Venipuncture and catheter placement
- Accurate radiology positioning
- Effective anesthesia monitoring
- Physical examinations and patient assessments
- Laboratory skills including manual differentials and urinalysis
- Understanding of common emergency and specialty medications
- Compassionate and timely care for hospitalized patients

## Benefits Include:

- Medical insurance
- Flexible scheduling
- 401(k) with employer match
- Uniform allowance
- Continuing education allowance
- Employee pet care discounts

- Competitive wages (commensurate with experience)

## **Qualifications:**

- Licensed Certified Veterinary Technician (CVT) or eligible for licensure
- Emergency and Critical Care experience preferred
- Fear Free Certified preferred
- Strong communication and multitasking skills
- Ability to lift up to 50 lbs and restrain patients safely
- Commitment to continuing education and professional growth
